## CAREER SUMMARY

---

- I worked professionally as Graphic Designer / Color Specialist at Imaging Technologies for seven years from 1997 to 2004.
  - From 2004 to 2006 I worked at Claffey Printing as a Darkroom Technician.
  - I joined the Army and served from 2006 to 2009 with the hope of reclassing into a Multimedia Illustrator position, but that did not work out.
  - From 2009 to 2013 I earned a bachelor's degree in Advertising Design and part of a Web Design certification from the Art Institute of Atlanta.
  - 2013 to 2014 I worked as a Front-End Web Designer at Sellers Marketing Solutions.
  - 2014 to 2020 started as a Large Format Printer Service Technician, moved to Color Specialist and Graphic Designer.
  - 2020 Laid-off due to COVID-19.
-
